## come take up space

Discover a sophisticated and sacred space for productivity, collaboration, and inspiration at ALTAR. Our corporate offsite retreats, meetings, or workshop space offers a refreshing escape for your team, designed to inspire restoration, exploration, and connection.

### ***Sanctuary in the City:***

Located in Logan Square, in a bright, lofty, airy 4,000 sq. ft. space, our venue provides a peaceful, retreat-like feel in the city that enhances focus and relaxation, ensuring your team feels rejuvenated and inspired.

### ***Customized Packages:***

Tailor your experience with our flexible packages and unique spaces, including team-building and wellness activities, plus catering services to meet the specific needs of your team.

### ***Tech-Ready & All-Inclusive:***

From chairs and tables to yoga mats and a Bluetooth sound system, ALTAR is an all-inclusive experience. Stay connected with high-speed Wi-Fi, multimedia capabilities, and other tech amenities to support seamless communication and collaboration.

### ***Custom Event Curation:***

Our team will collaborate with you to create an experience that optimally utilizes the space and our network of experts in personal and professional development and wellness topics. These experiences are designed to promote trust, communication, and camaraderie.
